Case No. 2:23-cv-02119-CDS-DJA

**Stipulation and Order to Extend Federal  
Defendants' Deadline to Answer or  
otherwise Respond to Plaintiff's Complaint  
for Writ of Mandamus and Complaint  
Under Administrative Procedure Act (ECF  
No. 1)**

**(Third Request)**

Plaintiff, Yigremew Temesgen, through counsel and the United States of America,  
on behalf of Federal Defendants, through counsel, hereby agree and stipulate to extend the  
deadline to answer or otherwise respond to Plaintiff's Complaint for Writ of Mandamus  
and Complaint Under Administrative Procedure Act by an additional 60 days, until **July  
30, 2024**. The parties enter into this stipulate based on the following:

1. Plaintiff filed the Complaint on December 26, 2023 (ECF No. 1).

2. Plaintiff served the United States with a copy of the Summons and Complaint on January 31, 2024.

3. The original deadline for Federal Defendants to answer or otherwise respond was April 1, 2024.

4. The parties stipulated, and the Court granted a previous extension until May 1, 2024 (ECF Nos. 5–6) to respond to the complaint.

5. Since the filing and service of the Complaint, the parties have engaged in actions that may resolve the issues in this case without the Court’s intervention. Those actions include the agency’s issuance of a Notice of Intent to Revoke (“NOIR”) on February 5, 2024, and Plaintiff responding to the NOIR. The agency has reviewed Plaintiff’s response and issued a decision on the NOIR. Since that time, the parties have been working to attempt to get an interview scheduled for Plaintiffs.

6. The requested 60-day extension will allow the parties additional time to allow the agency and Plaintiff to continue to work towards a possible resolution on the administrative side.

7. Should the parties be able to resolve the matter without further litigation, a dismissal will follow. Should the parties be unable to resolve the matter without Court interventions, Federal Defendants will move forward with responding to the Complaint on or before July 30, 2024. Accordingly, the parties believe good cause exists for the extension sought due to the interests of judicial economy and the parties’ resources.

Respectfully submitted this 30th day of May 2024.
